MEMORANDUM TO ALL CLERKS OF COURT

SUBJECT: Post-Judgment Interest Rate

The enclosed certification by the Department of Treasury for the auction of 52-week Treasury bills dated July 8, 1986, is furnished pursuant to 28 USC 1961(a) and the equivalent coupon issue yield of 6.35% is effective on all civil judgments issued on or after July 9, 1986, until the next auction which should be on or about Thursday, July 31, 1986. In the event that you must obtain the new rate prior to receipt of the next certification, the information can be obtained by typing "HELP T BILL" after logging onto any of the DEC 10 computer systems or calling the Accounting Systems and Planning Section, FTS 633-6276, for the information. Alternatively, you may call the Treasury Department's recorded message reporting the results of the most recent auctions of 13, 26, and 52-week Treasury bills. That recording is reached by calling (202) 287-4100, in the Bureau of Public Debt. This information is available beginning the day following the auction.

The reverse of this memorandum provides a table of changes in the interest rates effective on all civil judgments applicable to the last 24 auctions of 52-week Treasury bills. Courts are urged to share this information with all members of the Bar by an appropriate posting or by making copies available.
